Devising your plan

☐ Identify subject focus

- **Try to prioritise each subject based on any assessments, coursework that needs to be completed. Also consider if you find the subject easy or hard.**
- **Do you know the key learning points?**
- **Do you have the appropriate resources?**
- **Do you know what revision strategy you are going to use?**
- **Where will you be studying? Is the school open. Will you study in a group oir individually?**

☐ Do you need support with your study?

- **Is there a study late on - see page 10 of the booklet**
- **Is there a study support session on - see page 9 of the booklet**
- **Is there a virtual webinar session - see page 12 of the booklet**

☐ Do you need help with any aspects of the subject

- **Seek help from your teacher**
- **Speak to your learning mentor**
- **Use the peer support tool - see page 13 of the booklet**

☐ Reflect on your week

- **Did you manage to stick to your plan? Do you need to make any changes?**
